Guided Tours of the Imagine Museum and the Museum of Fine Arts, St Petersburg

Imagine Museum

Museum of Fine Arts

The Imagine Museum collection of contemporary art glass masterpieces brings intricate shapes to life and magically transforms color and light. The glass museum showcases major works of contemporary American and International art by founding and leading artists in the field of studio glass and art expression.

The Museum of Fine Arts is proud to have within its walls the only comprehensive art collection of its kind on Florida's west coast. Highlights include masterpieces from Monet, O'Keeffe, De Kooning, Wiley, and others, a sculpture garden, and one of Florida's most respected photography collections.

After our Imagine Museum tour, we will stop at The Hangar Restaurant for lunch (menu attached). Then off to the Museum of Fine Arts for our second guided tour.
