Dear Applicant,

Thank you for your interest in becoming a Mission of the Month at the United Methodist Church of Sun City Center. As the Mission team, we are excited to learn more about your mission.

We receive many requests to become part of this program. We prayerfully read all applications with special consideration given to missions whose program is dedicated to making disciples of Jesus Christ and show a proven history of successful ministry. All missions accepted as Mission of the Month must support the mission and vision of the United Methodist Church of Sun City Center. Because we currently have many applications, not every mission that applies will be accepted this year.

We will closely study the goals of your mission, the actual percentage of your proposed budget that directly supports the slated mission, and your plans for documentation and ongoing evaluation and accountability. Should we support your mission, we will ask for a follow up at the end of the year, stating how the funds that you received were used.

Please complete the enclosed application and return it to:

The United Methodist Church of Sun City Center

Attention: Missions Team
1971 Haverford Ave.
Sun City Center, FL 33573-5224

All applications must be received by October 1st, 2023.

Blessings to you, and thank you for all that you do in moving forth in your mission to make a difference in our community and in God's world. Expect notifications by December 1st, 2023.

Sincerely,

Mission Team
