Asolo Repertory Theatre

Sarasota

Directed and Choreographed by Josh Rhodes
Music Direction by Jenny Kim-Godfrey

Love. Betrayal. And Redemption. Under the hot Judean sun, tempers fray and a rogue apostle questions his Messiah, who in turns questions his God. The choices they make will change the course of the world -- forever. Andrew Lloyd Webber and Tim Rice revolutionized theater when their epic rock opera debuted fifty years ago, introducing the world to such songs as "I Don't Know How to Love Him" and "Heaven on Their Minds." Following his celebrated interpretations of *Cabaret*, *The Sound of Music* and *Evita*, Josh Rhodes returns to Asolo Rep with a fiery and revelatory new production.
