We will continue with our text, Carson and Delosa's Spanish for Middle and High School. After a review of the regular verbs, we will focus on the most common irregular verbs. Conversations with our fellow travelers are part of the fun, so we will be asking and answering the basic questions: who, what, where, etc. (and, of course, how much). I will distribute sample conversations between Spanish speakers, Spanish on the left and English on the right. If we have the time and interest, we will make pinatas.
