Wednesdays and Fridays, 1:00 p.m. - 2:30 p.m. (4 Classes 7/23, 7/25, 7/30, 8/1) in Room 30

Summertime blues disappear with our hot and cool sounds and fun discussions. It's mainly rock from '57 to '63 but you'd better believe Patsy Cline, Johnny Cash, and Merle Haggard will be showing up too alongside Fats Domino, Jerry Lee Lewis, and the Shirelles. And to stimulate recollection and play of the tunes of great secondary stars and one hit wonders we'll have song contest/challenges including *Phi-Town and Chi-Town vs. My Town* and Jeopardy-like naming songs of that fit a topic.

Our focus is on lively fun, but we'll also take a few moments to salute stars who put their lives on the line to entertain front line Armed Forces combat personnel in WW2, Korea, and Vietnam, and take a deeper look at the interesting and touching stories behind a few songs. If you want great music, stimulating confabs, smiles, tapping feet, and even a seated-hand-jive lesson, this is THE PLACE for you!!!

Here are some tunes to get you started:
