Mission of the Month

Anchor House

Anchor House was founded in 1991 and incorporated in 1993 to address the spiritual, emotional, and physical needs of all seafarers arriving at Port Manatee, along with the surrounding SeaPort Manatee Community. As a gospel-centered mission, Anchor House reaches out to serve international seafarers, truckers, and the local community in Port Manatee, Florida. Our motivation stems from the

words of Jesus Christ who commands us to “go and make disciples of all nations baptizing them in the name of the Father, the Son, and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age” (Matthew 28:19-20). We take this mission to heart, striving to meet the spiritual, emotional, and physical needs of the Port community, regardless of race, gender, country of origin, or religious belief.

We fulfill this mission by providing spiritual and physical nourishment to seafarers and the port community. Our activities include ship visitation, conducting worship services on board vessels, distributing “ditty bags,” transporting seafarers to town for supplies, hospital visits, and much more. Our mission is supported through ongoing personal discipleship with local dock workers and online engagement with international seafarers via Zoom and social media, along with personal visits to Port Manatee. Currently, we are sharing the gospel online with seafarers from Russia, India, and the Philippines. Worship services are available upon request onboard ships, and personal “ditty bags” are given to all seafarers, along with land transportation. We also distribute Bibles in over 40 languages, and personal spiritual counseling is available upon request.

We sincerely thank you for your support over the years. Your generosity enables us to continue God's work locally at SeaPort Manatee and internationally among seafarers. We are grateful for a remarkable last year and eagerly anticipate an incredible 2026.

Pastor's Corner – Dr. Cynthia Weems

The season of Advent has begun. Advent marks the beginning of the “church year” and we begin our year with the anticipation of the birth of Jesus. Many new things begin with anticipation and expectation. We pray, plan and prepare for something new to emerge. And as it approaches, we feel the nerves and excitement of what is to come. This happens each year as we remember with anticipation and expectation the events surrounding the birth of our Savior.

Over the next month we will walk with those who prophesied the arrival of a Messiah (namely, Isaiah) and we will recall events in the life of Jesus that gave material evidence of his Messiahship (from the gospel of Matthew). We will celebrate the birth of the Christ child and we will rejoice in what it means to be a people who gather around a manger and worship a God who chose to come to us in the form of a baby.

Yet, we will not only do these things. We will continue to pray, plan and prepare for new things that are always emerging as we follow Jesus. To worship the birth of a baby in a manger means to believe Jesus is always being born among us – in new experiences, new friendships, new challenges, new opportunities to serve and care for others. Every day provides us with ways to see the hope, love, joy and peace of Christmas alive in the world. And when we don't see it, every day provides us with ways to bring hope, love, joy and peace to the world through our words and actions. All of this in the name of Jesus.

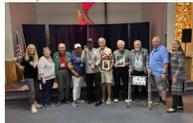

Friends, welcome to Advent! I look forward to walking this Advent journey with you this year.

In Christ's love

'Break Away' with Breakaway - Renee Tisdale

It's happened again, the month has flown by! Here is a quick catch up on what we've been up to. We began November with our 4th Volunteer Appreciation Party and we had so much fun! Good food, good music, good games and good fellowship made for a wonderful evening! I thank God every day for the Breakaway volunteers and am grateful to be able to show appreciation in this wonderful way.

We've recently welcomed a few new friends, which is always a wonderful experience. However, this also meant saying goodbye to some others, and that brings a sense of sadness. For various reasons, we don't make a big deal when one of our friends transitions out of the program but we acknowledge the loss all the same.

We celebrated Veteran's Day with an awards ceremony and parade! The weather was so beautiful that we had to take an impromptu advantage! We grabbed our flags and beads and headed around the campus, greeting everyone we came across and enjoying the wonderful time outside.

National Pickle Day was observed with delicious Cuban sandwiches thanks to Linda Neff! We had a variety of pickles to taste, alas no pickle costume, but folks enjoyed the giant pickles nonetheless!

As we were getting ready for Thanksgiving, we made delightful donut turkeys! They were not only fun and delicious, but the best part was having enough to share some turkey joy around the campus. We love the moments spent with friends as we spread the joy of our creations, believing that sharing what brings us happiness can bring the same to others! We had the most delicious Thanksgiving lunch with our caregivers thanks to Ron Ermann, one of Breakaway's most committed volunteers! Since becoming responsible for feeding ourselves this year Ron didn't hesitate to offer his help and has fed us countless delicious meals!

We've begun getting ready for Christmas making various ornaments, some from clay, beads, resin and even some from paper! You'll be able to find these at *Breakaway Creations*, along with Christmas coasters, pens, wrapping paper and many other items created by both our friends and volunteers. Be sure to stop by for some of your shopping needs!

Are you looking for a place to serve Jesus? Shine your light into the lives of those living with dementia and have a ton of fun while doing it, please consider Breakaway! We meet on Mondays and Wednesdays from 10am-2pm in Creason Hall. Check us out in person or on Facebook at Breakaway Respite Ministry!

The Spirit of Advent

Holland King's love for drawing and art began at the age of 12 when he was first introduced to comic books. Holland studied illustration at the San Francisco Academy of Art, and his work has appeared in galleries and restaurants throughout the Tampa Bay Area. He began working with chalk at a South Tampa eatery, where his work became a draw for the store and was featured in Restaurant Monthly Magazine and on Charlie Belcher's local news program. His first chalk festival was the Clearwater Chalk Festival of October 2015 and he has been working as a freelance artist ever since.

Holland King will be on campus beginning December 1st and our Sun City Center community is invited to observe as Holland creates an original chalk piece on our church patio for the season of Advent.

Volunteers Still Needed!

Make a difference with every ring.

It is that time of year again, and we are looking for volunteers to ring the bell for The Salvation Army at the Sun City Center Publix. You will stand beside the iconic Salvation Army Christmas Kettle and receive donations from passers-by. You ring the bell to remind people of those in need at Christmas in our community.

Bell ringing will start the day after Thanksgiving, November 28th, and continue through Christmas Eve, Monday through Saturday from 10AM-6PM. All volunteers will be scheduled for 2 hour shifts.

Volunteer Response Team (VRT) Updates

Merry Christmas!

The Volunteer Response Team (VRT) will host its Christmas party on December 17th at 2:30 p.m. in Room 19. This celebration is open to everyone interested in the VRT.

A huge thank you goes out to the volunteers who helped with the church campus clean-up on November 14. We had 39 volunteers who helped collect 2,500 pounds of leaves and other debris!

Our next meeting is scheduled for December 17, 2025, in Room 19 from 2:30 to 3:30 p.m. Regular meetings will take place on the third Wednesday of each month.

We are a dedicated group of caring Christian volunteers involved in community projects, church maintenance, disaster response, and recycling initiatives.

The VRT of Sun City Center is always looking for people with diverse skills to join our team. In addition to those with tool skills, we are in need of cooks, organizers, administrators, maintenance personnel, and caring Christian individuals to provide support.

If you're interested in becoming an active member of our VRT, please consider attending our monthly meeting or register for our VRT email database at <http://eepurl.com/gew3MD>.

Missions Team Updates

SCCUMC is on a mission, yes, we are on a mission to “share Jesus’ love worldwide through spiritual, educational, physical, and financial support to empower.” In the future you will be hearing from each individual Team Leader as they will specifically share their roles and responsibilities allowing us to fulfill our mission by bringing a voice to the voiceless in our community and to the world.

Here at SCCUMC, your Mission Team for 2026 is already planning ways you and I together may extend God’s Light, that all may know the love of Jesus by sharing His “love worldwide through spiritual, educational, physical, and financial support to empower change.”

What is Mission? According to the definition, mission, refers to a specific task or duty of an organization or a group of people sent to perform a particular job.

Paul in Acts 13:47 said “For so the Lord has commanded us, saying, ‘I have set you to be a light for the Gentiles, that you may bring salvation to the uttermost parts of the earth.’”

For us, *mission* means:

- youth leaders/adults sharing Bible stories and inspiring individuals to commit Bible verses to memory
- inviting an individual to give their life to God
- filling an empty pantry with food
- providing shelter and necessities to a homeless person
- sharing Bible studies to nurture the soul’s faith
- an invitation to go on a mission trip outside of the United States to experience that people are the same, only environments differ
- praying for God’s relationship to be with each person
- sharing spiritual and moral support
- inviting and/or taking individuals to church/church programs
- fixing a leaky faucet, or painting a house, or sanding and gluing furniture, or installing a new door

In the year to come you will hear more about each of our teams within the larger Mission Team and learn how they are using the Light to change everything!

Let’s be the hands, feet, and heart of Jesus today and every day, and may God Bless us and our church, as we participate and partner in the various missional opportunities SCCUMC affords.

Vivacious Ministries with Victoria Sorensen

December has the clarity, the simplicity, and the silence you need for the best FRESH START of your life.

-Vivian Swift

How did it get to be December so soon! This year has certainly been a busy one for our church, and our community. Over these past twelve months, because of your generous contributions to our Mission of the Month recipients, the generosity of your Second Mile Giving, and the generous grants received from The Community Foundation of Tampa Bay, our church has helped not only members but also our community in so many ways.

We have hosted the Mission Smiles Mobile Dental Clinic, offering much needed dental care to those in need. Sertoma Hearing has helped by providing free hearing tests and hearing aids to individuals needing assistance. The BayCare Kids Mobile Medical Bus, along with its dedicated staff, and Preserve Vision delivered vital care for students in our local community as they prepared for the new school year. Thanks to your generous donations of school supplies, we ensured that over 1,200 students were equipped and ready for their first day back. Additionally, BayCare Community Health participated in our Health Clinic, offering free flu vaccines, blood pressure checks, and various tests to support the health of our community.

While that sounds like a lot, there is still more that our church has accomplished this year. Thanks to The Community Foundation of Tampa Bay, we were awarded two grants totaling \$18,000.00. The funding allowed us to provide supplies to Bare Necessities for All which supports individuals, students, families, seniors and our homeless population. Additionally, we have maintained a well-stocked Food Pantry. With your generous contributions through food drives and financial donations, we have successfully kept our Food Pantry operational during the government shut-down that impacted individuals relying on SNAP, EBT, WIC, and other benefits.

We hosted the Professional Learning Community Social Workers, supporting over twenty-five local schools (elementary, middle, and high schools) who assist students and faculty with day-to-day issues. What a wonderful group of individuals who continue to support students through counseling, finding needed resources for them and families, and help ensure homeless students are able to attend school by arranging transportation for them, no matter how transient they are.

On Thanksgiving Day, we served 200 of our closest friends a wonderful Thanksgiving Dinner. This year our team of volunteers cooked love into our Thanksgiving Dinner. A "BIG" Thank You to Gayle Turner, Chuck and Eileen Smith, Bill and Marianne Drake, Mark Sutcliff and Ron Busroe who took on the task. You guys are amazing! I would be remiss if I did not send another "Shout Out" to David and Carries Childs who made sure the kitchen crew and serving happened without a hitch! A heartfelt thank you to all our volunteers who dedicated their Thanksgiving Day to help others. I would name all of you, but my article would be three pages long, LOL!

The Joy of Giving will provide many items to our seniors in local assisted living and memory care facilities who would have not otherwise receive Christmas gifts. Our seniors will be gifted hairbrushes, tissues, fuzzy socks, soft washcloths, nail files, hand lotion, lip balm, clothing, toiletries, lap quilts, crocheted blankets, large print books, puzzle and activity books, coloring books, and so many other truly thoughtful items. I can't wait to see their faces light up with surprise and delight when the gifts are opened— there are even Christmas ducks with a special message attached, thanks to Girl Scout Troop 33319 helping to put them together.

I believe our church is living into our new logo without any problem. Every time I am walking on the church campus or visiting people in our community, our Light is Changing Everything, and I cannot wait until next year when we continue to shine our light in different ways as we continue to be the Hands and Feet of Jesus, making a difference in people's lives every day.

In closing, we are always looking for people to continue to help Change the Light! If you are interested in joining our volunteer force, we have many ways to serve. Here is how you can shine your Light and change everything; we are currently seeking individuals interested in helping at the coffee bar on Sunday mornings, greeting and ushering. Maybe you have a passion for serving on the Mission Team under one of our many Local, State, and National areas including the Food Pantry, Matthew 25, Inspira, Residing Hope, Volunteer Response Team, Metro Ministries Meals, our International Missions such as Cuba, India, and Watoto. We have many other opportunities to get involved so just reach out and let me know if you are interested in serving because...

The Light changes everything!

As always, I am so grateful to all of you for the help and volunteer work you do for our different ministries and missions. **WE** could not do what we do in our community and abroad without your help and financial support. I personally want to Thank You for answering God's call to love each other fully because *The Light truly does change Everything and Everyone, including US!*

Much Love and Many Blessings to each of You, and Merry Christmas! Victoria

WORSHIP ARTS - Jeff Jordan

I don't know about you, but I am VERY excited about our new Vision and Mission statements and especially about our new Logo and Tag Line. I think it fits us perfectly and give us a clear view for the future of this church! Kudos to the Pastors and all those that fashioned these important instruments. As you probably know, I've been here, as some might say, for a 'minute', and I've seen our church re-invent itself a couple of times in the past, very successfully I think. And I feel even more confident about this re-awakening of the Spirit at our humble little church in the middle of a retirement community! Praise God for the plans he has for us!

As far as our Music Ministry is concerned, we have long been focused on the season we've just entered – Advent, the beginning of the church year, and the beautifully powerful season of Christmas. I know that you'll find some of the following events noted in other parts of this newsletter, but here is a summary of what's happening in the month of December:

Not much room to breathe, but I'm certain this will be a breathtakingly beautiful season of worship and music. PLEASE take the time to INVITE relatives, friends and neighbors to one or more of these events! Aisling has fashioned a simple card that lists most of the above. Take one [or more!], hand it to someone, smile and say, *Love to see you there*. I bet it'll work every time!

Merry Christmas, my precious Church Family!

Blue Christmas

Sunday, December 21st

6:30PM

December often calls us to joy, even when our hearts feel heavy.

Many people enter this season carrying grief or pain that doesn't match the lights and music around us.

United Methodist Churches and other denominations often host Blue Christmas services to make space for grief, loneliness, and pain to nurture healing.

Held on, or near, the winter solstice, the service leans into the symbolism of the year's longest night.

We gather quietly, listen to scripture and other readings that speak to weary and hurting people, and light candles as acts of gentle remembering.

What makes this service uplifting is not forced cheerfulness, but the way hope rises when we make room for healing. God meets us in our grief and sits with us in our questions. Even during the longest night, light is already on its way.

If you will miss that empty seat at the table this holiday, are feeling lonely or grieving as you approach Christmas, please join us on Sunday, December 21 at 6:30 p.m. in the sanctuary.

All are welcome – especially those who need a quieter, gentler kind of Christmas hope this year. May God's peace and light comfort you.

Holiday Office Closure

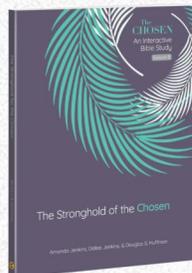

DECEMBER 25 – JANUARY 1

Our church office will resume normal operating hours on Sunday, January 4th.

Merry Christmas and Happy New Year!!

Weekly Bible Study Group Season 5: The Stronghold of the Chosen

Led by: Victoria Sorensen

- **When: Tuesdays at 4:00PM**
- **Where: Room 30**
- **Starting: January 27th**

What is a stronghold?

Well, a stronghold is a place of safety, fortified to protect inhabitants against attack. It's a place where people can feel secure, surrounded by high, sturdy walls. It's a place to rest and be restored. It's a place to plan the way forward.

Join us as we view each episode that showcases the final days of Jesus, followed by an engaging discussion on the themes and scriptures presented.

The study is open to all! Keep an eye out for information regarding sign-ups and book purchases.

Thank God It's Variety - Larry Hirchak

As usual, December is always a very busy month in the concert series program.

We begin the month with the community choral concerts. On Sunday, December 7th at 3:00PM and again on Monday, December 8th at 7:00PM, the Sun City Men's Chorus will be presenting their 2025 Christmas choral concerts. Under the directions of Jeff Jordan, *Home for the Holidays* features traditional holiday favorites like *Sing We Now of Christmas*, *The Little Drummer Boy*, *Blue Christmas*, *A Holly Jolly Christmas*, *Have Yourself a Merry Little Christmas* and *I'll Be Home for Christmas* as well as some beautiful and sometimes humorous seasonal songs such as *There Is Faint Music*, *Rise Up Shepherd and Follow*, *Bashana Haba'ah* [in Hebrew], and *You're a Mean One Mr. Grinch* from *How the Grinch Stole Christmas*. The concerts also feature two a cappella quartets.

Then on Thursday, December 11th at 3:00PM and again on Friday, December 12th at 7:00PM, The Women's Chorus will present their 2025 Christmas choral concerts. Under the direction of Jeff Jordan, this 60-voice ensemble is presenting two concerts entitled *Shalom: Celebrating Peace and Joy*. The concerts include many sacred favorites such as *Gesu Bambino*, *Carol of the Bells*, *Do You Hear What I Hear*, *Mary Did You Know*, *Joy to the World* as well as some secular classics like *It's Beginning to Look Like Christmas*, *The Christmas Song*, *Jingle Bell Rock*, and *Christmas (Baby Please Come Home)*. There's also a new and very clever arrangement called *Jingle Alllll the Ways*, a very funny song about *The Twelve Days After Christmas*, and a stunningly beautiful closer entitled *Shalom* by the incomparable Dan Forrest.

On Sunday, December 14th at 3:00PM come hear voices raised in harmony to celebrate Christmas in the barbershop harmony style with the beautiful sounds of the Toast of Tampa Show Chorus and the Heralds of Harmony Barbershop Chorus! Under the direction of Tony DeRosa, the choruses will get you in the holiday spirit as they sing *Sounds of the Season*. The Toast of Tampa Show Chorus is an award-winning barbershop a cappella ensemble of women who perform engaging harmonies in exciting styles. Founded in 1987, Toast of Tampa has performed for audiences around the US and abroad. Consistently placing in the top ten of the Sweet Adelines international chorus competitions, they just won **FIRST PLACE** in the International Sweet Adelines Competition in Columbus, Ohio! Toast of Tampa won its first championship in 1993 and was the 2023 5th Place International Medalist Chorus. Lasting friendships, shared joy and the love of singing excellence are their common bonds.

The Tampa Bay Heralds of Harmony Chorus has been entertaining audiences for over 79 years. The Tampa Chapter is part of the Barbershop Harmony Society and consists of more than 60 men who share in the enjoyment of singing. In the last twenty-six years, the Heralds have achieved national acclaim, winning District contests and placing near the top in international competitions.

Finally on Friday, December 19th, The Cypress Creek Jazz Band will present a new twist to many of your favorite Christmas songs!! The Cypress Creek Jazz Band is a group of local musicians with strong roots in the Tampa music scene. They perform a New Orleans's style jazz, joyful Dixieland jazz, Spiritual Dixieland Hymns and Old-time gospel. This concert will feature their "All That Christmas Jazz" recording project.

They have performed together for over 7 years all over the Tampa area at venues like the Straz Center, Carrollwood Cultural Center, Dade City Kumquat Festival as well as many others.

They also have played at corporate events, festivals, weddings, Madri Gras, and community events. But what keeps this group together is their love for the early jazz music of New Orleans Dixieland.

"Arguably the happiest of all music is Dixieland jazz. The sound of several horns all improvising together on fairly simple chord changes with definite roles for each instrument but a large amount of freedom, cannot help but sound consistently joyful." – Scott Yanow

Bring in this Christmas season with all the wonderful music that has been written to celebrate this most wonderful time of the year!!

Thank you for supporting this special outreach ministry of the United Methodist Church of Sun City Center!! Remember "Let everything that has breath praise the Lord!!" Ps.150:6
