The Bay of Pigs Invasion; the Cuban Missile Crisis; the assassinations of JFK, RFK, and MLK, Jr.; To Kill a Mockingbird; Psycho; Star Trek, Motown; the Beatles; and the creation of Medicare and Medicaid. These are just a few of the fascinating topics to be covered in The Sixties. Return with us now to one of the most momentous decades of the 20th Century. As always, there will be plenty of class discussion and, the first time we meet, everyone will be asked to share one or two memories of the 60s.
